

State Opioid Response (SOR) Recovery Housing Directory

The following houses are accredited through the Missouri Coalition of Recovery Support Providers (MCRSP) based on standards created by the National Alliance for Recovery Residences (NARR) and approved through the Missouri Department of Mental Health. Most MCRSP-accredited houses in Missouri are considered Level Two houses. These recovery residences are often considered monitored residences, or sober living homes. Level Two includes residences that are often single-family residences or apartment-style living overseen by a House Manager or Senior Resident. They typically have at least one paid position (i.e. Resident Manager). They also have a structured environment with support services, predominantly facilitated by peer providers, for people in recovery to gain access to an interim environment where they can transition from treatment settings to a more home-like setting. Residents in Level Two houses are strongly encouraged to be involved in self-help and/or treatment services. Level Two residences utilize house meetings to communicate with residents and may or may not utilize drug screening to confirm abstinence.

Looking for recovery housing for yourself or others?

(Please check these lists on a regular basis for updates as more houses become accredited.)

1. The **SOR Recovery Housing Directory** (below) includes all SOR-funded, MCRSP-accredited houses in MO that are also accepting of all forms of MAT. To stay up-to-date on the latest version, please visit <https://www.nomodeaths.org/recovery-housing> and click the “Get Housing” button.
2. To view all MCRSP-accredited houses (SOR-funded and non SOR-funded), visit <https://mcrsp.org/get-help/directory-of-accredited-residences.html> for the latest **MCRSP/NARR Accredited Recovery Houses Directory**.
3. To view *all* recovery houses and resources in MO, search using the **Recovery Locator** found here: <https://mcrsp.org/get-help>.

***All SOR houses below are accepting of all forms of medications for addiction treatment (MAT).**
