

Opioid STR/SOR Treatment Agencies

If you or someone you know is uninsured and has an Opioid Use Disorder (OUD), please contact one of the agencies listed below to learn more. Your recovery is important to us. If you do not reach someone right away, please continue to be patient and call all of the treatment agencies in your area. For a map of all STR treatment agencies, please visit **MissouriOpioidSTR.org**. Buprenorphine, naltrexone/Vivitrol, and methadone are all options to treat OUD. Ask your treatment agency which medication may be best for you.

*Methadone dosing is only available at the Opioid Treatment Programs listed below.

Publicly-funded Treatment for Opioid Use Disorder (non-addiction specialty settings)

Your recovery is important to us. If you do not reach someone right away, please continue to be patient and call all of the treatment agencies in your area. Buprenorphine, naltrexone/Vivitrol, and methadone are all options to treat opioid use disorders. Ask your treatment agency which medication may be best for you. The treatment agencies below accept Medicaid. If you are uninsured, please ask about sliding scale payment plans and/or visit MissouriOpioidSTR.org for treatment options.
